## Backstage at a Fashion Show:

We went backstage this week at the Bill Blass show to document some of the work the makeup artists and others do that go into producing a major New York fashion show. The following photographs by publisher of lookonline.com Ernest Schmatolla are an attempt by him to give you a sense of what it is like backstage before a major show. We thank Bill Blass Ltd. and publicist Ian MacKintosh for giving us access.
